## Duval County Public Schools

## 2022-2023

## District Calendar

${ }^{\wedge}$ If the district must close schools for a day or more due to hazardous weather, the school district will utilize weather day/s to provide for any lost instructional days. Given the placement of weather days on June 5, 6, and 7, there is a possibility that the school year could extend past June $2^{\text {nd }}$. Should there be no need to use the Weather Days on June 5, 6, and 7, teacher post-planning days would be moved up to begin on the first available non-instructional day during that week.
